

Botanical Extracts for Modern Wellness

About Nuleaf Naturals

Nuleaf Naturals is a trusted B2B manufacturer and supplier of high-purity botanical extracts, oleoresins, hydrosols, and essential oils. We specialize in custom formulations and scalable extraction processes using SCFE (Supercritical Fluid Extraction), steam distillation, and solvent extraction techniques.

Our Core Offerings

- SCFE Extracts: High-potency, solvent-free herbal extracts for pharmaceutical, cosmetic, and nutraceutical applications.
- Oleoresins & Essential Oils: Concentrated plant extracts for flavors, fragrances, and therapeutic uses.
- Hydrosols: Aromatic floral waters for skincare and aromatherapy.
- Ayurvedic Formulations: Tailored extracts aligned with traditional Indian medicine systems.
- Contract Manufacturing & White Labeling: End-to-end services from R&D to bulk delivery.

Why Choose Us?

- ISO-certified & GMP-compliant facilities
- 100% plant-based and sustainable sourcing
- Customization based on client needs
- Trusted by top nutraceutical brands
